Start Something 

Lace up for the most important fundraising event of our year and you could start something big.

Every dollar you raise helps match kids with a mentor. Research shows that children who have been mentored have higher self-esteem and are more likely to stay in school – empowering them to succeed, give back and realize their true potential.

Building life-changing relationships  
that **inspire & empower.**

The energy, generosity and determination of our bowlers is so important to Big Brothers Big Sisters of Clarington - and **Bowl for Kids' Sake** is our largest and most successful fundraiser of the year. Challenge yourself to give back to your community, grab your family and friends, come out for a great game of bowling, and change a child's life.
