Debbie Margetan's memory lives on to benefit children in the community

Simcoe, ON – August 11th - The legacy of Debbie Margetan is still evident, as the 2nd annual Memorial Golf Tournament presented by RBC raised over three thousand dollars to benefit Big Brothers Big Sisters of Haldimand-Norfolk. Debbie was a devoted Big Sister with the agency, and also a long time RBC employee in Port Dover, who unfortunately lost a battle with cancer in January of 2010. Around 30 golfers braved the humidity for the cause, on a day which featured all sorts of fun contests and challenges for participants.

Josh Juhlke, Resource Coordinator at Big Brothers Big Sisters says, "This is just a great event. Any chance to partner with such a reputable organization like RBC, and in honour of such a great person, is a fantastic opportunity for our agency. We're extremely grateful to everyone who supported this tournament."

Scott Dickson, Branch Manager of RBC Simcoe & Scotland says, "It's been a pleasure to put together this tournament in honour of Debbie. She cared so much about her community, and the children that resided in it." This year's tournament took place on July 23rd at Sandusk Golf Club in Jarvis.

Big Brothers Big Sisters believes that every child in Brant, Brantford, Haldimand & Norfolk who needs a mentor, has a mentor. Call us today at 519-426-3121 or toll free 1-888-268-8784 to make a difference and start something today!
